Ms. Glass was that kinda person that captivated everybody that knew her. She was funny, sweet, and said what was on her mind. She will truly be missed. I pray for peace and comfort for her family, friends, and those that loved her.

Aunt Jean you will be forever missed and you were so loved. I had so many wonderful conversations with you, even when life took me to Texas many years ago you still called and I loved our talks. May you rest in peace now and I know your rejoicing with the whole family in heaven. Gone but never forgotten.
I love you my sweet Aunt.
Love and hugs to the family.
