“ Mrs. Long was truly one of the best teachers there has ever been. Not only did she teach the core subjects that were required, she made everything a learning experience and often gave us true character education lessons when necessary. We were a little family and she loved her kids. Whenever I have seen her through the years, she was happy to see me and always had time to talk and offer encouragement. She will be missed but I'm sure I'll see her again and probably will learn something from her. Rest in Peace Mrs. Long...Prayers for all the family

“ Loved Ms Long. So sorry for her passing. She was a special person and a special teacher. She went beyond her teaching responsibly, had a love for kids. I will always be grateful to her for help she provided my family.
