Comments

“ We all loved Mrs Flossie and Bro George. I've always felt bad that our ladies at Bethlehem didn't visit her enough. But we always let our busy lives interfere with God's work. However, I will never forget the last time we visited. She had gotten Dianne to buy cold cuts and other lunch fixings and she had lunch for us when we got there. That was so sweet of her. The ladies always enjoyed our visits with her. We will miss her. We loved her.
