

Wayne L. Payne

January 3, 1936 - April 11, 2021

Wayne L. Payne, age 85, was born January 3, 1936 in Colorado City, Texas and went to the arms of his Savior on Sunday, April 11, 2021 in Greensboro, North Carolina after a courageous battle with COVID-19 and pulmonary fibrosis.

Wayne met the love of his life, Lois, in Millington, Tennessee while serving in the United States Navy as a Naval Aircraft Technician. During his service he was honored with 2 Medals. Wayne seamlessly stepped from one type of service into another. He went from protecting and serving his country to protecting and serving peoples' souls.

Wayne and Lois were members of the Church of Christ. They devoted their life to the growth of the church and to the support and care of people around the world, including a lifelong commitment to the churches in Nigeria, West Africa. Wayne helped educate and mentor other preachers and teachers to carry on Christ's work. He was an extremely humble man trying his best to example his Savior.

One of Wayne's passions was learning. He was an honored graduate of The University of North Alabama and The American University with the accomplishment of 3 degrees. His final degree was in Forensic Science, which was his passion outside of his love for his Lord Jesus Christ.

Later in his life he worked with and retired from AT&T as a fiber optics engineer. This work led him to live in Dallas, Texas, Bangkok, Thailand and San Antonio, Texas.

As a loving and conscientious man, Wayne enjoyed membership in local associations and was especially devoted to the Lions Club and the Helen Keller Institute. This commitment was strong to the point that he was an eye donor at the time of his passing. He was a humanitarian, a true example to live by, and a precious gift from God!

He loved fishing, history, playing the guitar and harmonica, talking to others about their life's journey, and reading. He has been lovingly described by many as a legend in his own time.

Wayne's unquestionable devotion to his faith in God and his family, never wavered. His life was a living example of the Bible verse, Ephesians 4:32 — "And be ye kind to one another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you."

He shared his God given talent as if it were the air that he breathed until his breath was no more. His compassion for others was beyond what most people could comprehend. It was never about him. It was always about others and how he might help and encourage them to live their lives to God's glory. Dad always said, "God doesn't make mistakes, and it is up to us to respect and honor what God has in store for us".

Wayne was an incredible son, father, husband, brother, grandfather, great grandfather, uncle, friend, but most of all, Christian. He will be honored and remembered, around the globe for years to come. The best way to honor the life he shared is to go out and do the same, glorifying God and living His purpose in your life. He will forever live in the hearts of many.

“ In November 1974 Wayne taught me how to be able to go to heaven. I had never attended church. I wanted to but let me so many I was confused about which church to attend. I thought it was go to the church of your choice. GOD sent his precious son down from heaven to suffer and die for us and to establish his own church. The church of Christ. But over the years even many churches of Christ have fallen victim to Satan. They have changed. The teaching that CHRIST taught and have changed the church into a fellowship hall, a recreation hall. Maybe not give money to orphans homes which they have no Bible authority to do so. The church is where we go to worship not to eat or socialize it is to worship and praise GOD in song and remember how he gave his life that we might live. I knew Wayne for 50 years I know that he believed exactly as I do. In 1974 he baptized me into Christ. He taught me the things I needed to know. He was the greatest influence on me to begin. Teaching and preaching. I have been preaching now for 30 years not every Sunday but when needed. I am always ready to teach and preach anywhere I am called to do so. Thanks to my brother Wayne Payne. I loved him I can never repay him the debt I owe him for helping me to know what to do to go to heaven.
