“ *My dearest Abby you will always be my favorite buttercup and best friend. I'm not sure how I will ever be happy without your beautiful smile and sweet kindness. You are pain free now and for that I'm truly grateful. You knew that Matthew was as much a grandson to me as any of my other grandsons and I will always be here for him. Rest assured that Matthew will always be loved and always welcome in your/our family and that we will forever be here for him. I loved you from the very day you were born and will always love and miss you. I love you to the moon and back*
