My heart goes out to you all. I can't imagine your pain or understand why things happen but we know God knows best. One day soon we will be together with our love ones to never say good bye again. This is only temporary good byes. As I have said before and keep in mind we have family on both sides they are in paradise just waiting for us to get their but to them it will be like secs. They will never know we were gone but oh what a great day that will be when we ALL get home. Until then we will do our work here praying and witnessing and winning souls to Christ. Praying for God to pour his comfort and peace On you and your family love y'all. Adam is won the race!! His journey has just begun.
