“ *I worked at the grind with Lexie. She was always the sweetest, happiest and best person to work around. My little boy would come and always loved to talk with her. He always called her tall girl lol! He would always look forward and ask about her. She loved people and loved life! We def need more like her in this world.*

“ Lexi played travel basketball with my daughters. Lexi always had a beautiful smile and loved to make others laugh. I recall prior to one basketball game I noticed our team in a circle just past the stands as we awaited the previous game to finish. All the girls were hilariously laughing, I walked down to see what they were laughing about - It was Lexi, she was in the middle of the team circle doing a funny dance and had everyone laughing, relaxed and ready to play. That was Lexi. God bless your soul #24.
