“ I was a friend of Kyle growing up. I played baseball and spent a lot of time at their house. Alice was one of the kindest people I ever knew. She took care of everyone and it was an honor to have known her. She will be greatly missed. My prayers go out to Kyle, Steve and everyone else who knew her.

“ Steve, Kyle, and Melissa;
William, Sandra, Kevin, and family;

I am blessed to have known Alice as my friend. We had so many childhood memories, which I have been remembering this week. The memories of our High School and College days. Steve, I remember when you and Alice got married and how much in love she was with you. Although we taught at different schools, we were able to share ideas. Over the years we were able to stay in touch. I will miss her very much. I am keeping all of you in my thoughts and prayers! I love you all!
