

Alice Faye Hornsby

April 10, 1940 - September 8, 2020

Mrs. Alice Faye Hornsby, 80, of Phil Campbell, Alabama, passed away September 8, 2020, at her residence. Mrs. Alice has lived in the area all of her life. She was a devoted wife, mother, grandmother, and great grandmother. She retired from Northwest Shoals Community College. She loved to read her Bible and was a member of Mt Hebron Baptist Church. Her favorite verse was Proverbs 3:5-6.

Mrs. Alice is survived by her husband of 63 years, Wayne Hornsby, and her children Barry Hornsby (Dawn) and Regina Stancil (Brian); brother Charles Steele (Phyllis); grandchildren: Brooke Lakey (Bret), Bridget Landers (Justin), Brad Hornsby, Haley Hornsby, Amber Burcham, Jacob Milam, Megan Milam; great grandchildren: Logan Landers, Elizabeth Lakey, Emma Cotton, Sadie Hornsby, and lots of other relatives and friends.

Preceding her in death are parents: father George Vachel Steele and mother Rose Mae Holland Steele; sister Janice Davis; brother-in-law Jerry Davis, and brother Rodney Steele.

The family wishes to thank special caregivers, Encompass Hospice of Hamilton, Alabama, and all who gave love, care, and compassion to our beloved wife, mother, grandmother, and great grandmother.

Pinkard Funeral Home, Russellville, is directing.

The following expresses the sincere prayers of her family:

“Dear Lord, relying on your promises to us, we turn to you in trust that our mother is with you and that she is enjoying your loving embrace. You alone

know how she loved the best she could and how she faithfully endured the struggles that she faced. You know the graces you gave her and you know the grace she was for us and for so many. For all the ways she truly loved the way you loved her, please reward her, Lord. May she enjoy the communion of all her family and friends who are with you.

Lord, we know our mother still loves us who are still here on earth. I ask you that you might listen to her fervent prayers for us. Help us to grow into a new and deeper relationship with our mother now, as we long for the day when we will both meet in your embrace—freed from all the might have hindered our relationship on earth, knowing and understanding everything we did not know or understand on this earth. Amen”

It was a privilege to work with Ms. Alice. I remember how dedicated she was to find pictures and work on the history of the college.

Alice was an excellent co-worker and a friend that cared about and remembered the friends she made over the years. Having know her for about 40 years, I will much miss her presence and treasure my memories of her thoughtfulness.
