Tribute Wall

“ I am sincerely sorry for your loss Jim. I know we haven't talked in some years now, but I do think about you often, and about us being boys and running the country roads together like brothers. My dad passed away June 6th, 2011.

It's football weather, and the change of season has you on my mind today. I hope life has been good to you and Gina, and the kids.

I'm trying to get in contact with you.##imported-begin##Ron Lombardi##imported-end##
