“ Memories of my Uncle Jr., hmmm watching him lead songs at Church, eating watermelon off the back of his old yellow pickup down at Pawpaw's house. Feeding hogs, but first picking the corn to do so. My Uncle Jr. was a Godly man he was a good man. Loved his family he served in the National Guard, oh that is another memory, he gave me a military shirt with my name well our last name on it. He also gave me his old pins to put on the collar. He was a Firefighter. He helped others in need, He always had my back, I admired him. I looked up to him. He was always happy to see you when you walk in, he loved his grand~babies. Uncle Jr. give the family a hug, there are more up there with you in Heaven than here with us. R.I.P Uncle "June Bug" I love you always !! Prayers for all the family and friends you left here on earth.
