“ I remember Louise well having grown up in Lynn and later when she and you children lived in Haleyville on street going to school. Melody I remember you best. I no longer live in Haleyville, but in Florence, but keep up with things in Winston Co and think of all the good people I know and have been blessed to call friends. Your family is one. Louise was one of the first people I met in Lynn when I moved here. She became such a sweet and dear friend. I have missed her so since she became sick. Heaven gained a special angel.
