“ I remember Annette for her smile that could light up a room and also her laughter during the 1980's * I know through conversations with a family member that she fought the good fight* I wouldn't have expected anything different from Annette * I will remember her now as a soldier of the cross in the army of our lord * I think that God has a special place in his kingdom for those who fought a good fight * I pray for the family that God will mount you up on wings of an Eagle to soar above bereavement to see that Annette is with God in heaven * I give you my warmest condolence in the most humbling way * BK Land
