“ I am proud to say I had some fun and funny stories about Tony. When I was a young girl in elementary Tony was the first guy to give me a box of candy. When I had broken up with my date to the Junior Prom three days before the prom Tony got a tux in three days and went with me. We were friends and I am happy that I had these fun times with him. I will continue praying for all of the family. My God Bless You All.##imported-begin##Tammy Parker Stewart##imported-end##
