“ I'm so upset I couldn't make it today..please know I'm available to talk if you ever need to. I know the pain all too well. Ashley was always so very loving and sweet every time I saw her. Always smiling and just precious...especially when it came to her friends, including my son, Ben. I'll continue praying for you all. I know it seems hard to believe, but it does get easier with time and you will smile and enjoy life again. I'm so sorry for your loss.
