“ Clay & Court,
Words can't describe how sorry I am, I would give anything to bring Ava Claire back. I never knew I could love someone so much without knowing them, but Ava Claire showed Aunt Shae Shae that you can. I know she is so proud to have you both as parents. I pray for all of us each day to find the strength to make it through. Always remember that she is waiting on both of you to hold her one day in heaven. She will never be a memory to us she will always be in our hearts. I love you both so much.

“ Courtney and Clay, I can't begin to imagine the pain you are feeling but I pray that in time you will find comfort. Just know your little angel is safe in the arms of Jesus. She was a bud on earth to bloom in heaven. We are here for you if you need us.##imported-begin##Mary Harris##imported-end##

“ Ava Claire
Gran & Pawpaw just wanted to let you how much we all would have loved you if you would've got to come into this world. But God needed another Angel up there with him. As You walk with all of our love ones in heaven shine down on Daddy & Mommy so they fell your loving arms around them. You was such a beautiful little baby girl and God just needed you more than we did. Just know you will always be in our hearts & there is no way we could ever forget you.

Love Always Gan

“ I go to church with Jo & Jesse at First Baptist. Just wanted your family to know you are in our prayers during this difficult time. Psalms 46:1 God is our refuge and strength, a very present help in trouble. Praying you will draw strength through him in the days to come.
In Christ's love,
