“ *I will always hold in my heart the love my mother had for Avery! They are first cousins which meant they were like sisters. Both were the only child which made it even more special! They both call Heaven home now which is a wonderful thing, because they are not hurting and are at peace! One day there will be a glad reunion, and we will run to their arms! My heart and love go out the entire family! May God surround you with His wonderful love now and in the days ahead! Love from my heart to yours.*
