“ *I loved this dear sister in law of mine ! She was always so kind and every year when we would go to Bama , she would feed us , come up to cabin to see us, and all my children and grandchildren love their Aunt Babe. I miss Larry and now our sweet Babe not being there just hurts my heart. I would go and have a breakfast with her on a Saturday when she would ask me to join her and her family. I treasure ALL my sweet memories of her. She will be greatly missed!*

Some of my fondest memories of "Babe" was when she and all sisters would come to the nursing home to sing with their mother Margie Dykes. Her mother was always so thrilled, WE had to have her ready for them to come. I was Margie's nurse down on station 3. I can just hear her now saying " the girls will bring me food." Enjoy the precious memories .

“ *It was always an exciting time when April's grandparents arrived to visit! Not only was April and family thrilled, we were encouraged by their attendance and participation in our worship services. When MawMaw came to our ladies class on Sunday morning, she always shared her Biblical knowledge and wisdom with the group. I know her faithfulness has had a huge impact on those lives around her and she will be missed - but may her faithfulness bear fruit for God's Kingdom through the lives of her extended family, especially her grandchildren and great grandchildren. We love you, April, Dalton, Ryan and Kaden!!*
