“ *I learned so much about patience and love from Barbara. It's been 40 years since I've lived in Haleyville but the lessons I learned from Barbara are still a treasure. Besides the fact that she was amazing fun!*

I was so sad to hear of Barbara Gail's passing although I know she's doing fine in heaven now. She was my idol as a child and always so sweet and smiling. I didn't see her often as I lived in the city but she was the first person I wanted to see when my family visited our relatives in Double Springs. She would take me for walks and never treated me like the pesky child I was.
