“ Beckie and I had so many adventures growing up. Words cannot articulate the loss I feel in my heart. Heaven is now enjoying her wonderful wit. Mama June , Robin and I sat around talking Beckie stories and our wonderful trip to Florida together in 1964. The next time we go to Florida , we will drive over the bridge and shout out the wonderful "tarzan yell" as Beckie did on that adventure. That memory brings a smile to my tear stained face. I still cherish the charm you gave me in high school, Beckie Lou!

Thanks for all the love and laughter throughout the years, Beckie!

To Pat and family, you have my deepest sympathy. Cherish your memories of her. I know I certainly will

“ So sorry for your loss. Beckie was a very good friend of mine in school. She, Janie Williams Roberts, and I sang together in high school. We sang in a talent contest one time. She was lots of fun and I'm going to miss her quick wit. She always brought a smile to my face.
