“ Bertha always had a smile on her face and was friendly to everybody . The only time I can remember her getting excited was when our neighbor would bring home snakes from UNA and they would end up in Bertha's flower bed . She would get with the neighbor he would come and get his snake if they end up in our yard pretty sure Frankie would make them into two snakes . For those of you who did not know Bertha was Methodist . Bertha loved her son Tim very much she was always talking about him . Heaven gained a very special angel the other day .

“ I did not know Bertha before this, but I got to know her son, Tim, and his beautiful wife, Vanessa, while caring for their mother. By doing so I got to see just how wonderful their mother must have been because, they were wonderful people. Kind, generous, and loving people. You learn a lot by people when you are experiencing somethings with them. Vanessa taught me how to be a better nurse, a little advice about turning a pillow lol, but so much more than that. They both showed so much love even in their time of mourning. Always appreciative of everything. Their mother will forever be in my heart, but I think God brought her to my care so I could meet these two wonderful people. I thank God for that. I am so sorry for the loss that you both have endured. Just know that she must have touched many hearts and lives just as you both have. You will always be in my heart, memory, and prayers.  
Love Sincerely,
