“ Dear Annie & ALL: We are so sad to hear this news but I know Aunt Bertha went to a wonderful place and will be waiting on all of us to come home. We will not get to be there in person but our hearts and spirit is with you. I cooked fried chicken in her memory last night. I have always remembered how she taught me how to fry chicken years and years ago. Daddy wanted me let all of you know he is thinking of all of you and wish he was able to be there. I will call soon. We lift all of your family up in our love. Dale & Delores Thompson###imported-begin##Dale and Delores Thompson###imported-end##
