“ *Beth was a light,is a light, a light that shines eternal.....She was and is so missed that words cannot describe the sorrow felt by those closest her, She was in this world and eternally will be MY SISTER, the one light no matter how dark a path i had to walk LOVED ME UNCONDITIONALLY AS I DID HER.....I had to look hard for god for my path estrayed to where i could barely feel his presence, but the CALLING OF ALL ANGELS has begun and Beth Marie Lydic was truly ANGELIC in her spirit and action.Oh My dearest sister how i miss you so, so much that it feels a part of my soul is missing but i know you are in heaven and still look over everyone.....And once my job is done on this earth in JESUS CHRISTS name, i pray we will be together again*

“ We were blessed with Beth for almost twenty years. She was an invaluable asset to the business but much more than that, this loving, generous lady shared her life, feelings, and plans with us as a family.

Beth was a perfectionist in her work and in my memory of her she is sitting in front of a double screen, surrounded by her Monet pictures. She would turn with a huge welcome smile and we just talked-almost never about business , just about life.

She was a wonderful lady and I will always remember our office trips together and regret we didn't have more.

God bless her friends and family. She will continue to be with us all .
