Betty was my dear special friend. I know so many others feel the same way. She was kind, hard working, and as she often said "loved everybody". She especially loved God and her family. Her trials in this life were many, but we rejoice that she is now at home and in peace. May we strive to follow her Christian example.

“*Vonda, Melica, & Family, I am so sorry about the passing of Betty. She was done with her work here on earth and God needed her home where she will have no more pain, suffering, and worldly strives. Betty was a beautiful person inside & out and I am so glad that I had the opportunity to call her friend. My heart is breaking for all of you as I know the pain and emptiness that you are feeling, but we are comforted with the fact that if we do what God wants we will all be together again for all eternity. I pray that God keeps HIS loving arms around all of you and give you strength, peace, and comfort during this difficult time. Love and hugs to each of you.*”

I loved the times that we got to share at break at work and our conversations about our families, our trials in life, and our common faith in Christ. She offered to listen to me and kindly offered her prayers and advice. Likewise, I would listen to her and offer mine too. We would share our thoughts on God's Word and help each other grow in the faith. Her love for everyone and God always shined brighter each time she saw you. I hate to see her go, but, I know she is in a better place at peace in the love of her heavenly Father.

I always enjoyed the times that Betty and I got to share a break time at work. We talked about family, our trials in life and our common faith in Christ. She was always a source of encouragement and strength in the faith. She always had time to listen and give Godly advice and wisdom she had gained in life. She truly loved her physical family, her spiritual family, her neighbors, her friends and fellowman. She worked hard to support worthy causes to help her fellowman and the cause of Christ and her community. Her work will follow her and bless her with eternal peace. May God's Loving Comfort Bring Peace To Her Family!
