“ Betty was very dear to me. She was a part of my life since adolescence. She was always there to listen and offer words of encouragement. Although life has a way of sometimes separating us from those we love, she remained in my heart. I will love you always. May you rest in peace.

To her Family: "May the sun bring you new energy ever day, bringing light into the darkness of your soul,. May the moon softly restore you by night bathing you in the glow of restful sleep and peaceful dreams. May the rain wash away your worries and cleanse the hurt that sits in your heart. May the breeze blow new strength into your being, and may you believe in the courage of yourself. May you walk gently through the world, keeping Betty with you, always knowing that you are never parted in the beating of your hearts."
