# Tribute Wall

“ I am a stranger to all of you children but I knew your mother at the Haleyville Health Care Center. She was a very sweet lady and even though she got confused sometimes she was really sweet. She would think I was her sister and I had only known her for 5 months. Her niece Annette was very faithful to come see her every day and we shared some nice visits. I know you will miss her but I feel blessed to have known her.
