“ *Cindy and Leon,
My heart is breaking with the thought that Betty is no longer with us. She was a special woman and an important part of my life. I'm so happy that I got to see her over the holidays. Betty, Mom and I looked at some old pictures I had of us as we where growing up and we had some great laughs.*

I love you both, remember our families are forever linked together, we are here for you when you need us. My prayers are with you. Please write or call if you need anything.
