“ So sorry to hear about Mr Bill. He and my Uncle, Robert Drewry were very close and when they both were in town at the same time they would always get together at our house. Once Bill moved back to Haleyville that became more often. We were in the Historical Society together and since he's been in Haleyville Health Care I saw him every Sunday morning until COVID hit. I haven't seen him in almost a year but will miss him once this is over and we can go back to Haleyville Health Care. The family is in our thoughts and prayers.

So sorry about Bill's passing. He was a good friend to many and a good Civitan. He was always involved in weekly luncheon meetings and an officer for many years, especially as secretary-treasurer. He also did much when he was able to make the annual Civitan Auction a success, raising money for the local ARC. Condolences to the family.
