“ I just found all these great comments and want to thank each and every one of you for your thoughts and prayers. It's been a little over a year and with each passing day I miss him more. But even though we have had to travel 1800 miles across country to try and get help for our daughter, I still feel his presence with me. I know he is in heaven now at this very moment petitioning Jesus to heal Allie. He loved her so much and she him. Cy still crystal when we talk of him but he knows he will see him again someday. I wish he was still here to see Cy and Carter grow up and to be a witness of when Allie is healed. But God had different plans and that's ok. Again, thank you all for your kind words and prayer. Butch Swann and family.
