“ My fondest memories of Ms. Bobbie are while sitting in the choir loft. Listening to her sing and help others to sing, which she always seemed to love dearly. Listening to Ms. Bobbie, Billy, Wayne Peppers, and many others sing together will always be a fond memory of mine. I am so sorry for your loss and if there is anything any of you need during this time please call. I am just down the road. Take care of each other during this time and we will be praying for you.
