“ Lisa, although your mother only shared a room with my mother for a short time at Russellville Health Care, I saw that she was a precious, sweet person. I also knew from you and your brother's kind acts of caring for her that you both loved her dearly and she in return. You were all so sweet to my mother especially during the difficult last days you had with your mom. I am truly sorry for your and your families loss. I know you will miss her, but I also know from your families expression of faith, that you will one day be with her again.

“ Truly a delight to be around!!!! Bobbie made me feel so special! Her smile was contagious I looked forward to that loving warm greeting I got from her everytime I saw her. She is an inspiration to me as a Christian woman and mother. No never knew her husband but I know she was a loving Christian wife. She talked about him with such a loving devotion. Her kind and loving spirit shines through Lisa and Eddie and all those wonderful Grandchildren that were touched by her living testimony of Bobbie! We will see her again one day! She'll be waiting with open arms!

“ Eddie, Lisa and family. We were so sorry to hear of your loss and you are all in our thoughts and prayers. While we have had few opportunities to be in Russellville over the years, getting to visit with Bobbie was always a highlight of any visit there. She was a special lady with a great sense of humor. We know she will be greatly missed by her family there, but thankfully we have the assurance that we'll see her again someday.

“ Eddie, I never heard you speak an unkind word about your mother. Even though I never met her, your vivid accounts of her time here on earth make me feel as if I have known her for years. Surely every person who came in contact with her was truly blessed.

“ Eddie, Lisa and family; your mother was one of the first people to welcome us into North Highlands. She was always there with a welcoming hug and smile and especially an encouraging word when Ashley would be sick. I will always miss her sweet smile in church. Your loss is Heavens gain and her reward is what we all want. We love you all!!

“ Remembering that wonderful day when Ms. Martin looks at me and says, "Eddie sang this song the other day. He should have written a new song by now".
