“ *Some of my favorite memories are of staying the night at your house and waking up to the smell of Ruth's delicious breakfast and being entertained for hours both musically and philosophically by Bobby Ray. Those were good times that will never be forgotten. Though I don't see you all like I used too, i think of everyone often and you will always be near and dear to my heart. I feel for your loss and will keep you in my thoughts and prayers in the coming weeks. Kindest and most sincere regards, Jeff##imported-begin##Jeffery Hyche##imported-end##*
