“ I did not know this beautiful young lady. But, my granddaughter just told me her band card would not go through one night at the store. She paid for their drinks & gave them her number & told them if they ever needed help to call her. This shows the character & Love that she had for others. A giving Heart. Gone way to soon. I will be in prayer for her children & family.

“ Brandee you are already so missed. We at the Texaco are not your blood but you were out family. We laughed and had a ball last Tuesday when we worked together. I introduced you to Tea bombs. You loved em. Twisted love was the name of it. I wish this was just a dream and I could walk into the store and there you'd be. Asking me what I was doing out so late. Lol. With your register tilted down and your stool to reach our customers cigarettes. Idk rest easy untill we meet again. Prayers for the family. God Bless. Love you chick❤️💔

“ *Brandy Michelle! This little light of yours will shine. God knows this is so hard on Brooklyn. I know we didn't always see eye to eye and things don't always work out the way we want them to. I'll continue to raise this little girl of ours and she'll always know that her momma loves her. I'm at a loss for words honestly. I was so damn proud of you for the accomplishments you had made and the path you were on. Brooklyn and I were so optimistic about the future for the two of y'all. I can't believe you're gone, I never thought things would happen this way. No one does but here we are unfortunately. I really wish it was a bad dream cause it's a nightmare for Brooklyn. She so confused, as if a part of her went with you. Rightfully so perhaps either way just watch over and comfort her when you can. We love you Brandy, and don't worry, I'll make sure Brooklyn always remembers who her mother is! Rest easy*

“ I have so many fond memories of my beautiful niece Brandy Michelle! Guess the one that makes me smile the most is when she was little she couldn't say stomach, so she would say I can't eat that my stomach hurts or I don't feel like going to school my stomach hurts! Lol it was so cute! Me and her babysitter which was and still is my best friend used to laugh and she would get mad! Well you rest in peace my angel I love you! I know you are in your daddy's arms!
