“ Just heard about Brenda’s passing. Love and sympathy to the family. We enjoyed running together in Haleyville Running Club. Also have three recipes she gave me that I enjoy preparing-24 hour salad, grilled Chicken with white sauce and homemade bread. God bless one and all.

“ Lyonel and family...I'm so sorry for your loss. Your mom was working as a lab tech for Dr. Moore more than 50 years ago. She was the one who told me I was pregnant with Bruce.

“ I grew up with Brenda as we were about the same age and we lived rather close in the same neighborhood. I spent a lot of time at her Dad's store in my early years where the Quick Shop is now in Haleyville. We were 64' HHS classmates. She was always a sweet, special person and we had many great times together. I have not seen her in several years but I will always remember her great smile and her wit'. Rest In Peace and prayers for her family.
