“ I went to school with Brenda. She was a good friend to all. I am sorry to hear of her passing. She loved coming to class reunions seeing all her class mates. My prayers are with the family.

“ I worked with Brenda for many years at the University of West Georgia and have deep respect for her hard work ethic and deep, precious kindness. She personified the most human of values -- to encourage each other and believe in each other's goodness. Not only will she be missed, but this world is dimmed by her passing. I send condolences to her family and the assurance that your mother made a difference in my life and I am in gratitude for that.
