“ *Brittany was such a sweet sweet person. We first met while working at ClientLogic in 2005. We instantly became friends. I was fortunate to get to work with her again at Pizza Hut several years later. We shared some good times, and I'm thankful for the memories I have of her. I wish the family and friends peace and healing during this time. I know that her absence will leave a big hole in many hearts. Her light was always so bright.*
