“ I am so sorry praying fir the family. He once toll me a story about my son and him self and a dog my son was telling him about Jesus and he had been praying a dog in a few days the there was a dog came up to him at home . He said if you talked to my Son about Jesus you opened up a can of worms. Anyway my Son passed in 2008 and his Story helped me so much . He also toll me how much my Son lived me and story’s Carey would tell him about me . Didn’t know this young man good but my son did and he was a blessing to me just telling me the story’s Carey toll him . May God be with you all .
