

Bubba Lewis

September 12, 1982 - March 27, 2023

Terry Wayne "Bubba" Lewis, a life long resident of Double Springs, AL. entered into rest March 27, 2023.

His visitation will be Saturday April 1, 2023 12:30PM - 2:30PM at Pinkard Funeral Home in Haleyville, AL. Funeral service at 2:30PM in the chapel, with Jeff Cole speaking and Adam Veal officiating. Burial to follow in Fairview Cemetery in Double Springs, AL.

He is survived by his wife, Dana Jackson Lewis; parents, Terry (Tina) Lewis and Deb McGaughy (Russ Mullins); children, Hannah, Hayden, Morgan, Emma and Walker; brothers and sisters, Sam (Laura) Lewis, Brandon (Keshi) Garrison, Kristal (Tyler) Cagle, Dixie (Devon) McCombs and Karri Riggs; a host of family and friends.

He was born on September 12, 1982. He was a 2001 graduate of Winston Co. High School and began his career at the Winston County Career Academy in 2005.

During his eighteen years there, Bubba grew quite a large extended family through his students. While they thought the world of him, they will never know the impact that each of them left on his life and the love he had for each of them. Everyone held a very special place in his heart.

Bubba was well known for his love of classic cars, really all cars, he was always up for a good challenge. He often performed personal favors at the drop of a hat for many who loved and appreciated him dearly.

Bubba loved with his whole heart, his need to help other was deep, even if it meant bumping someone up his repair list if that would make a person's life just a little bit easier.

No matter what that need, however great or small, he was always there to lend a helping hand. He was truly a trustworthy, reliable and gracious man.

Bubba loved life, but more importantly he loved his family and friends and was available for them. He was a friend to all. On any given day, Bubba could be found fixing a car, cruising backroads in the jeep or taking a ride in the buggy.

Wherever he went he was greeted by everyone, because everyone knows Bubba, and if you didn't, you surely would before he departed. He left a giant mark on the world, here in 'good ol' Double Springs all the way up to New York City.

“ Bubba has always been a very good hearted, loving and special person since he was born. He never treated anyone badly or different and no matter how long you have to be apart from family, when circumstances arise where you can finally travel the distance to see them, he makes you feel loved and accepted. He never failed to call me Aunt Patricia and hugs my neck. My heart breaks💔for his wife and children, my brother, sister-in-law, all my nieces and nephews and all our family and Bubbas friends and students. My health is too bad to travel there or I'd be there. I love you all with all my heart and are keeping you in my prayers 🙏🙏💖.

“ Bubba stayed in a motor home at Arlington Trailer Park while attending that school in Bessemer. We lived across the road, I'd cook and send over plates to him and his room mate. I was like the momma when he was there. He grilled ribs for us and just checked up on us as we did them. Super nice kid then and I just knew he'd be an amazing man.

*So thankful bubba was so good to you and the children. He came in and took them in and never looked at them as bonus children he looked at them as his children. May God be with you during this time and the days to come. We love you and those precious nieces and nephews of ours. Love to you Dana, hold on to them memories and never let them go. So many good times you two shared together :

“ *Bubba will be missed by all that knew him, he was a kind person, and a great teacher. Those kids that took auto shop under Bubba, will always remember who taught them how to change a flat tire, change oil in a vehicle or break a motor down and put it back together. I pray for comfort and peace for all his family, friends and students.*
