“ This was a very loving, caring man. He has touch some many people's life's. We got to meet this man when he was on search and receiving body's and anything else that was in the water. After that in 1992 he became a TRUE friend to our family. We love you Mr. Buddy and you will be so missed but forever in our HEARTS...

“ Dear Johnnie, We are sad today in learning of Buddy's death. Elaine and I knew he was very sick from Pam's postings on Facebook. I can't imagine the grief you and the entire family feel at this time but I know the good memories of your lives together will be there for you to draw strength from. I know also that the Lord will give you comfort, strength and direction in this time of grief . Johnnie and Pam and all the family , Elaine and I and Amanda and Angie will always have the great memories of our friendship and the good times we all had back in the seventies at our homes and church. Of course the friendship of the McKissack's and Veal's has existed for seventy years or more and will continue. We love all of you and will keep you in our prayers. I wish we could be there with you physically but will not be able however our hearts are there with you and all the family.

Ray and Elaine McKissack and family.
