“ Rhonda,
We heard of your tragedy through Eric and Shauna Wells. We are so sorry for your loss. Our church is praying for you and your family. I want to encourage you to trust God's love and care even though it hurts and doesn't make sense. If you will put your faith in Him, I know you will find His grace sufficient and He will give you the strength you need day by day to see you through.

“ The thing i absolutely loved about Cameron was how she loved school and life in general. She never let anything get her down! She was really fun to be around, especially in choir. She really enjoyed singing and was really good at it. I really enjoyed hanging out with her in choir and at lunch, because she was always in good spirits. Talking about Dragonball Z with her always put a smile on my face, both of us were big fans of the series. I've known Cameron since I came to Belgreen, and she's always been a good friend to me. I'm truly going to miss her. I'm really sorry for your loss Ms. Stone. Cameron was special to all of us, and we'll always have good memories of having good times with her.##imported-begin##David Horton##imported-end##

“ Dear Rhonda, I know you are having a hard time dealing with this, but you are very strong person and I know you will make it through especially with the help of everybody. I loved Cameron sooo much and I am going to miss her like crazy. I know we weren't as close as we were when we were little, but Cameron knew she could come to me with anything that she needed or talk to me whenever she needed somebody to talk to. I can't believe that she is gone. It still feels like she is just absent again. I remember when me, Alexis, and Loren would come to your house and spend the night with her and we would stay up all night and look on the computer and watch movies!! I am always going to remember Cameron last year at prom when she was dancing crazy and then she fell, but she got right back up and started laughing because that was the kind of person she was. Rhonda if you need anything just call me!! I love you and i love Cameron very much!! She will still always be with us everywhere we go. We will get to see her smile and hear her laugh again someday.

Love Always, Ashley###imported-begin##Ashley

“ I hadnt known Cameron but for a few years but I know she was a great person. Jessica and I sat beside her everyday in P.E. and she always had something to funny to say or crazy to talk about. That made P.E. so much better. I had never really seen her get mad at anybody and if she did it didnt last long she could not hold a grudge. She really did know how to have fun because she never let anything get her. She was a very good person and a great friend. I love you Cameron ...Vanna...###imported-begin##Savannah

“ *Dear rhonda, were gonna miss cameron so much. especially in every class. she always walked in with a smile no matter how bad her day was goin. she most definately knew how to make u laugh with the simplist things she said. she loved to pick with us bout things we were talkin bout it was great. she was one of the most friendest people u would have ever met. school is just not gonna be the same with out her. we just have to remember that she is in the most amazing place ever and she is stil sittin there smilin lookin down on us. she wouldnt want us to be sad even though it is hard not to. i remeber us playin at amy-beths on sunday after church. we would always play on the swing set and push each other. loren, kelly, cameron, and i were so close when were lil. we never knew it would come where we were gonna be seperated from her at such an early time. but everything happens for a reason. its all apart of gods plan and we have to except things as they come. i love u rhonda and will always be here for u no matter wat. -###imported-begin##Brooke Davis###imported-end##*

“ Dear Rhonda,
i really hope you get through this!!! i know you will through time.
Cameron was such an awesome person. She never held grudges
and she had the best attitude towards everything. She made a huge
impact on many lives. Cameron and i both shared the love for
animals and the movie "Pride and Prejudice". She will be greatly
missed by many. I think her death opened alot of eyes (i know it
opened mine) It showed me your not promised tomorrow and to live
your life to the fullest! I'm so glad she's in heaven and not hurting
anymore. She wouldn't want you or me or anyone else to be sad!!! I
love you and if you need me i'm here for you!!!
