“ *We met Casey through our sweet niece, Kellen. I knew he was special when he came in and joined the family tradition of being silly at Christmas without any embarrassment. He seemed to fit right in. Over the past few months we spent many nights talking to Casey and Kellen about family and friends and always enjoyed them. Casey always made me laugh! Their young love is so inspiring. My prayers go out to Casey's family whom I've heard so much about. And my heart goes out to my beautiful niece who I love with all my being and wish I could take the hurt away. Rest in peace, Casey. You are loved and missed.##imported-begin##Trisha Dunckley##imported-end##*

“ You were always like a little brother to me and so many. I can remeber you tagging along when you were young, and how much fun you had with us picking at you on our "Thursday Nights" before ball games. And then Having you at the house those next few years with Paige you became even more a part of my family. Our comfort is knowing your somewhere the fish always bite, the bucks always walk up broad side, and the Tide always "ROLLS". We love and miss you.
