“ Brenda I just heard and couldn't find your phone number. So Sorry. You can convey to the rest of the family all the times we had together as you please. As we grow older life seems more precious. So sorry. He was my buddy. Hal Wood

“ Charles and I decided to go to Panama City together in 1966 and at the last minute for Spring Break. We didn't think about reservations and when we got there everything was full. We finally found a un-air conditioned cabin behind a motel for a really cheap price. By 6:00 AM we knew why. It was so hot we decided to go to the beach and were out there all day. We didn't care about any sunburn. However, we burned to a crisp, It was so bad, we had to come back the next day and Dr. Trammell said I had 3rd degree burns. Mrs. Trammell made up some salve that helped us tremendously. We both decided it was best to make reservations in advance. Charles was a good man, I know he will be missed.

He will always be "egghead" (HA!) to his classmates, but I really don't where the name came from. I'm proud to say that he was my friend all the way through school. I will sorely miss him in our future gathering. My condolence to the family.

*Brenda and Matt,
Charles and I go back to the National Guard days. We have also shared some of the same experiences in the last few years. I know what it means to have some very close to you share a kidney and I know Charles will be forever grateful to both of you for giving him an extension of life. I know I will for Glen's gift to me.*
