“ My deepest condolences to family and friends. I don't believe I have seen Mr. Watts since I was a child living in Graysville @ 1961 when my family lived next door, but I have never forgotten the Watts family. I have many fond memories, but the main one of Mr. Watts was him giving us Silly Putty & the Sunday color comics to play with each week. That made a huge impression on me when I was 6 years old. My cousin, Debbie Brown, tells me that he was still very beloved by the children (& adults) at church. I am not surprised at all. Ricky, Linda, & Danny...may God bring you comfort in the days ahead and many treasured memories.

“ You will be missed dearly by us all. I loved going to Walmart in Adamsville and seeing your smiling face and enjoyed the time we spent talking about our families and how everyone was doing. You were a very sweet and dear friend. May you rest in peace

“ Charles and I sang with The Camp Meeting Quartet... I started with the group in 1974. What precious memories I have from back then ..many a mile traveled ... what a joy it was to sing with Charles. I loved and respected him so much. What a great man of God. Charles lived the life like God wants all of us to live.
