“ I, Wynell Lee Howell, may be the last member of the class of 48 from Lynn High. Bobby was my classmate and friend, I lost track of him. He was months younger than me i thought. His birth date is not listed. I was 89 this pas t May 8. We were a close bunch and tried to keep in touch. I am sad, but glad to know of his adult life and of his value to society and to the Lord. I will see him one day, and we of that class will know each other again.
