“ *There isn't enough words that we can say about this man. What a kinds sweet loving caring person he was and always will be a part of our family. When he came into our life's it wasn't just only him we got to know and love everyone that he loved and cared so much about. If you needed help you did not have to call him it was like if he knew you needed it and he was there not only him I'm talking his brother his kids his sons his grand kids and most of all his wife. What a beautiful family. He loved watching Tammy bake and could not wait for her to get done so he could load his truck up and bring all the sweets you could ever ask for. He never missed a thanksgiving or Christmas coming by with fresh baked goodies. We love this family so much. Sending our prayers to this sweet loving family always and forever.*
