“ *Where do I start? I was employed at Premdor/Masonite from Dec.1993 until Sept.2006. Charlie was a very good man that cared about all of the employees. He always had a smile and always went around to each and every employee and spoke and said Good Morning to all. You could always talk to him and he would listen to what you had to say. Each and every time I ran into him at the grocery store or Walmart he always had a smile hug and would always talk to you. It breaks my heart that he is gone but heaven gained another wonderful angel So Fly High Charlie and rest in peace my friend!!!! Sorry for the families loss.*
