“ Lance,

*You touched so many lives, so many people love you. I met you so long ago, you were a young boy at the time. I have always loved your smile, your style and you.*

*When The day Starts Without you:*

*When the day without you, And you're not here to see.  
If the sun should rise and find eyes filled with tears for you  
I wish that no one wouldn't cry the way we did today.  
While thinking of the many things, We did not get to say.*

*I only pray you knew how much you were/ are loved  
When tomorrow starts without you. Please try to understand  
That an angel came and called your name And took you by the  
hand.*

*The angel said your place was ready In heaven far above, and  
that you left behind, All those you Dearly Love*

*But when you walked through Heaven's Gates I pray it feels so  
much like your at home  
When God looked down and smiled at you, From his golden throne*

*He said this Is Eternity And all he promised you and everyone  
Today for life on earth is done, But here it starts a new*

*I promise no tomorrow, For today will always last  
And Since each day's the exact same way  
There is no longing for the past*

*So when tomorrow starts without you, I Do not think we're apart  
For every time I think of you I will  
Remember your right here in your heart*

*Terisa*
