“ Chuck you left us to soon. I'm still in shock. Seems like yesterday that we were in the hay field laughing and talking. I didn't get to see you much but each time I did you always had a smile on your face. You and your family have always been very very special to me. Gosh what a homecoming you have experienced! I can't help but be a little envious. Carla you are such a inspiration to me. If you ever need anything please call me. I will continue to pray for you and the entire family. Just keep your faith.
