“ I had lost touch with Kennedy. My heartfelt condolences to all who loved Kennedy. We became friends in Chicago. Kennedy had a knack for saying the right thing at the right time. Plus, he made me laugh so hard my stomach muscles ached. Kennedy loved life, and he fought hard to enjoy all while he could. Blessed be, my Friend. -- Kay

“ Dearest Kennedy--I will always remember attending your 40th birthday party and our long phone conversations. Last Friday at the restaurant where I play piano I played "Somewhere Over the Rainbow" in your memory. Thank you for watching over my sister when she lived in Chicago. It always gave me great peace of mind knowing that you were looking out for her. Until we meet again, my friend. Penny

“ Dearest Kennedy, I remember attending your 40th birthday celebration and what I will always carry with me is your larger than life presence that day embracing the love of your friends on that monumental birthday. I recall with great joy your love of McDonald's Barbie Doll happy meal toys and your brotherly protection of my sister when she lived in Chicago. For that I am eternally grateful. Rest in peace and we shall see each other again one day.

“ *Being cousins, I have known Ken all my life. I have many memories of us at family gatherings, but my favorite memories are the ones we made when he lived in Birmingham, just outside of Mountain Brook, in the late 70's or early 80's. We spent a lot of time together during that time. One thing we did on several occasions was to go to yard sales in the "upscale" Mountain Brook area. Ken looked for one thing in particular at every yard sale: costume jewelry for his Mom....my Aunt Quid. I fondly remember the look on his face each time he would find a good piece. He would hold it up and declare "This looks just like my Momma!" He was always proud of his treasure for Aunt Quid.*

I am sorry I could not be there for the service. I am praying for the family.
