“ Dear Clure Todd Family,
Sorry to find this obituary of the loss of Clure I. Todd. You do not know me but I have been keeping track of the Todd family that left South Carolina for Alabama in the late 1800s. It may be of some solace to know that your Clure Todd is related to the Nathan Todd line of Laurens Co., SC and further back to the Robert Todd line that produced Mary Todd Lincoln(proven by gnealogical DNA testing).##imported-begin##David Todd##imported-end##
